

Searching for a hotel during your stay in Brussels?

Are you expatriate staff leaving with OCB?

Please do not book any hotel room by yourself! Your International Mobility Officer (FAU) or event/training organizer will/has taken care of everything.

Are you an external visitor (other MSF section, external to MSF but invited by someone at OCB, etc.)?

External visitors should pay for their own accommodation and arrange refunding with their own section. However, as an external invited visitor to OCB, you can benefit from MSF's negotiated rates when booking a room. Please be aware that the negotiated rates are not always available

To book a room, follow the instructions below!

Contact addresses, location and details are available on <http://welcomeocb.msf.be>.
